

INTELWORK

RECRUITMENT SERVICE

WHAT IS THE I/W INTELWORK RECRUITMENT SERVICE?

IntelWork Human Resources is changing the way we recruit, with agile and innovative solutions to suit your hiring needs.

Our Recruitment Service packages provide you with a dedicated Human Resources professional who will help take the work out of finding the right people for your business.

We are challenging the traditional pay per-hire model that other agencies adopt, and creating a cost-effective service that caters to what your business needs, when it's needed. Acting as a subcontractor, your consultant can work completely remote, we work with what suits you best!

HOW DOES THE SERVICE DIFFER FROM TRADITIONAL AGENCY RECRUITMENT?

- Our pricing is fixed, transparent and unaffected by multiple successful hires per package
- We provide full transparency on all applications received
- Your dedicated consultant works with you, on behalf of your business
- We assist in designing the job brief and position descriptions
- We deliver local market insight on similar roles in your area
- Delivering the full candidate experience to improve your brand

THE PROCESS IS SIMPLE

We provide as much or as little support as you need.

01

Identify your business' hiring requirements

02

Advertise and manage your recruitment process

03

Provide feedback of candidates and coordinate your interviews

04

Finalise your employee file compliance

05

Your new recruit(s) start with your business

WHAT ARE THE BENEFITS?

- Access to on-hire recruitment specialists when you need it, and not when you don't
- More cost effective than hiring internal resources
- Focus on growth, not your recruitment
- No hidden costs

FAQ'S

I/W

How do I use this service?

That's easy! Give us a call or send us an email outlining your employee requirements. We will book an initial consultation to further understand your needs and get the finer details.

How long does the hiring process take?

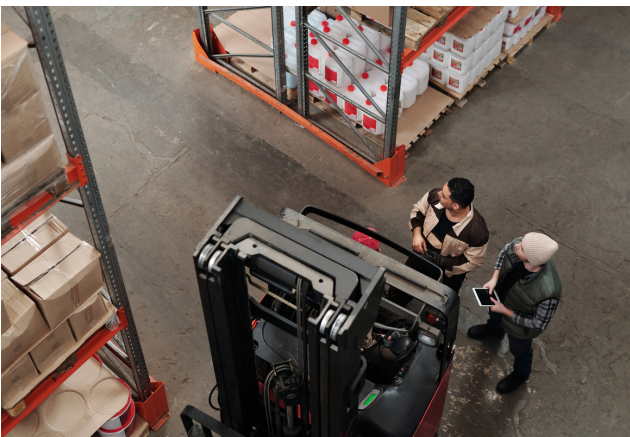

During your initial consultation we will discuss your business and hiring requirements. From this discussion, and depending on your goals - we will be able to advise whether this is likely to be achieved within the month.

What happens there are unexpected delays?

As with any project, disruptions can sometimes be unavoidable. Should your consultant be unavailable for part of your month - we will provide additional resources and extend your subscription for any time lost.

Are there any role restrictions to the service?

As we start moving into more senior positions, the recruitment process becomes more extensive. Subscription services are not available for use on middle to executive level operational positions. These roles require an extensive screening and interview process, and a more hands on approach. We can certainly assist with these positions, however will be POA.

"MOVE FORWARD. GOOD THINGS ARE UP AHEAD."
